- ✓ Pure N Fresh
- ✓ Inverter Linear Compressor with 10 year parts warranty
- ✓ Smart Diagnosis
- ✓ 5 x Tempered Glass Shelves
- ✓ R600a Refrigerant
- ✓ BioShield
- ✓ 2 Star Energy Rating

Inverter Linear Compressor

LG's **Inverter Linear Compressor** offers greater control of energy consumption, with less vibration and less noise than a conventional compressor system.

LG's 10 Year Parts Warranty - as this is the heart of your refrigerator we back this with a 10 year parts warranty on the compressor.

* 2 Years parts and labour + 3 years on sealed refrigeration system (compressor, evaporator, dryer and tubing) parts only + 5 years on compressor (part only)

Door-In-Door™

With **LG's Innovative Door-In-Door** feature you can conveniently locate and grab your favourite snacks and food items. Also, without exposing the entire fridge cavity cold -air escape is minimised.

Pure N Fresh

LG's **Pure N Fresh** - is LG's unique air purification device inside the Refrigerator. It is a fan assisted **Carbon Deodoriser** which actively forces odour filled air through the deodoriser and sends it back across 3 different shelving levels via the Fresh Shower ducting.

Easy Organisation

Wide Eye-level Refrigeration - with up to 830mm of wide open space, this fridge offers you generous fridge space perfect for your wide platters and all your fruits and veggies.

Cantilevered shelving - easily move the shelves to fit taller items such as water jugs or tall drink bottles..

2 Door Freezer - maximises organisation with deep interior drawers & ample door baskets.
